Let's get SHUTTERBUGGING!

Do you see the world from a unique point of view? We're looking to capture our neighbourhood through images and words for an exciting new project. Try a range of photography techniques, and use your images to inspire your writing. Look through a lens and see what's around you from a whole new angle!

Let Me Tell You Something Funny

It was so much fun we've decided to run it again. Do you remember the last time you laughed really hard? In this workshop you'll exaggerate, cluelessly babble, misunderstand each other and generally seek out hilarious confusion. Write and perform a one act comedy script.
